

ACCREDITED MANAGER QUALIFICATIONS

Internationally Recognized Certification

Accredited Manager Qualifications verify the knowledge and skills of managers seeking to enter, or already in Middle management roles (Department head, General Manager, Director etc.). Candidates for the examination will demonstrate comprehensive middle management knowledge across a full range of internationally validated business management competencies.

The Degree Alternative

GIAM qualifications provide individual managers at all levels with a time-efficient, cost-effective scheme of learning and assessment which ensures they have the knowledge and skills to lead and manage effectively at their level of authority.

In order to qualify for the designation of '**Accredited Manager**', and use the Post Nominal AMgr., candidates need to complete all 20 units of competency. By completing the Certificate and Diploma qualifications sequentially, candidates will be eligible for the AMgr. designation.

Admissions

To qualify for admission to the Accredited Manager Examination, candidates will need to demonstrate prior learning at Middle Management Level, or a comparable qualification, and have at least 2 years' experience in a First-Line management role.

Examinations

Examinations are conducted online by GIAM, and are available on demand. Your Approved Learning Provider will schedule your examination, and will provide you with the registration and login details. Your preliminary results will be available immediately on completion of the examination. You will receive conformation and your certification within 2 to 3 weeks of completion of your examination.

Digital Certification

GIMA certificates are issued digitally, and are available world-wide 24/7 for you to download and share on social media such as LinkedIn, Facebook and Twitter.
