

GLOBAL SENIOR MANAGER CREDENTIALS

Industry Recognized Certification

The Global Senior Manager Credentials verify the knowledge and skills of senior managers seeking to enter, or already in senior management roles (General Manager, Director etc.). Candidates for the examination will demonstrate comprehensive middle and senior level knowledge across a full range of internationally validated business management competencies.

The Degree Alternative

Global Management Credentials provide individual managers at all levels with a time-efficient, cost-effective scheme of learning and assessment which ensures they have the knowledge and skills to lead and manage effectively at their level of authority.
